T3. I am now going to read to you a question that may be on the ballot this November regarding transportation funding. After hearing the ballot language, please tell me if you would vote YES and approve the ballot question or if you would vote NO and reject the ballot question. Please listen carefully. The ballot question reads as…

"Shall state debt be increased by three point five billion dollars ($3.5 billion) with a maximum repayment cost of five point two billion dollars ($5.2 billion) without raising taxes,

by a change to the Colorado Revised Statutes requiring the issuance of transportation bonds, and, in connection therewith, shall bond proceeds be retained as a voter approved revenue change,

and used exclusively to fund specified road and bridge expansion, construction, maintenance, and repair projects throughout the state?"

If the election were being held today, would you vote YES and approve the ballot question or would you vote NO and reject the ballot question?
